

Coaches:

New Milford is a member of the Bergen Municipal Joint Insurance Fund which provides Liability Insurance coverage to elected officials, employees, appointees and volunteers. Coaches are included as volunteers. One important requirement is that you keep your coaching certification up to date. Coverage is afforded while performing normal duties. It is therefore recommended that you also carry your own Personal Liability coverage.

Additionally, NJSA 2A:62A-1 is the Good Samaritan Statute that extends certain immunity to a Good Samaritan who in good faith renders aid at the time of an accident or emergency.

Parents:

Please be advised that the gym at Berkley Street School has been closed. According the New Milford Recreation Commission is working with the New Milford Board of Education to obtain alternate locations for games and practices. Your patience is appreciated; you will be advised further when a new schedule is developed.
