

New Milford Recreation Department

In addition to all current CDC Guidelines, Governors Executive Orders and NJ Department of Health Guidelines the following will be adhered to.

Coach Responsibilities

- Schedule and track all activities; practice, games and COVID screening questionnaires on Team Snap
- Do not allow players to participate if they appear to be ill or they inform you they are not feeling well and notify your Coordinator immediately of any player or coach experiencing COVID related symptoms or illness
- Ensure players are not sharing equipment or water bottles
- Sanitize balls and equipment before and after games and practice
- Coaches must wear a face covering at all times and maintain social distancing while addressing players, on and off the field
- One-week prior to games the opposing coach will be contacted to ensure each teams COVID guidelines are understood and followed

Parent Responsibilities

- Complete COVID screening questionnaire on Team Snap before any team related event
- Notify your child's coach immediately if your child becomes ill or exhibits COVID symptoms
- Ensure your child has sanitizing products and plenty of water
- Remain in your car until game or practice starts
- Leave the area immediately after game or practice ends, avoid lingering
- Ensure your child washes hands before and after practices and games
- Ensure uniforms and equipment are cleaned after practices and games
- Spectators will be on the same sideline as their team and should be limited to immediate family
- Face coverings must be worn while attending games and practices
- Avoid carpooling

Player Responsibilities

- Bring and use hand sanitizer
- Be open and transparent with coach about covid related issues
- Personal bags and equipment should be placed at least 6 feet apart
- Do not touch or share anyone else's equipment, water, or bags
- No group celebrations, high-5s, hugs, handshakes, fist-bumps, etc.
- Wear a face covering before and immediately after events and while addressing coaches and other players. They should only be removed during warm-ups or after entering the field
- Wash hands thoroughly and immediately after events
- Wash and sanitize all equipment before and after events
